YACer of the Month: J. Cole

J. has been a member of the Midland Community Foundation YAC for 6 years and the president for the past 2 years. His YAC Advisor says "one of his biggest strengths is his leadership style - he knows how to engage the YAC members and make meetings fun while still accomplishing everything on the agenda." J. credits his YAC for helping him find his passion for giving back. His commitment to the YAC and the community foundation is a model for future YAC members. Congratulations J.!
