Midland Area Community Foundation Grant Highlights

2010 Annual Report

Coleman Community Clothing Closet

The Coleman Community Clothing Closet was located in the dim dark log cabin last year. In 2010, members of the community came together to move the location to the Middle School in order to provide a bright, clean and roomy space to present clothing to those in the community that need it.

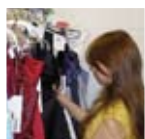

The Clothing Closet, managed and staffed with 100% volunteer labor, has been helping area families with clothing and household needs for over 20 years. By collaborating with the Public Schools, Railway Family Center, local contractors, local churches and city officials, the Coleman Clothing Center applied for and was granted enough funding to provide the building materials to improve the location and services to local families.

Old Grants See Great Results!

The Foundation funds new projects with hopes they will benefit our community and hopefully grow into larger projects. Three grants that were funded one time as initial start-up community projects have grown into successful annual events.

- The Jazz Trail was first held in 2009 in Midland. In 2011 it is spanning our entire region.
- Funded for the first time in 2009, the Tri-Kids Try Children's Triathlon is in its third year and growing in participation each year.
- Share the Memories, a program that makes sure young ladies get a gorgeous prom dress regardless of their financial situation, was funded in 2008. The program started in 2009 and has expanded to a regional program for 2011.

Midland Area Community Foundation Projects

2010 Annual Report

The Midland Area Community Foundation is always doing something to help improve our community.

Tridge Turns 30

In 2010, the Midland Area Community Foundation saw a need in the community. The City-Owned Tridge was a project of the Foundation in 1980. Formerly dedicated in 1981, the Tridge has come to represent the Midland area as an iconic symbol.

In the winter of 2010, the Board of Trustees at the Foundation decided that the Foundation would partner with local citizens, local businesses and private Foundations to fund raise enough money to perform necessary maintenance on the Tridge. The Midland Area Community Foundation was successful in raising _____ of the needed _____ and as a result, work has been completed on the Tridge.

Just in time for the Tridge's 30th birthday! We invite you to join us as we celebrate 30 years of Tridge Trolls, Labor Day Tridge Walks, fireworks and community at the Tridge on July 16, 2011.

For good. For ever.

Midland Area Community Foundation Events

2010 Annual Report

The Midland Area Community Foundation continues to present community favorites.

RIVERDAYS

The Midland Area Community Foundation is pleased to have hosted a successful 2010 RIVERDAYS Celebration. Watch out for the 2011 event ~ it's going to be full of surprises!

Senior Christmas Dinners

This year the Foundation worked hard to improve and expand the Senior Christmas Dinners program. Traditionally, the Foundation has worked to provide door prizes to all of those who attend the Dinners at the Midland Senior centers. This year, due to the generosity of our community, the Foundation was able to provide a small gift to every housebound senior who receives meals at home.

Santa House

The 2010 Courthouse Lighting and Santa House was another great success. This year's festivities included fireworks and the Santa handed out a brand new puzzle. There was a record-number of families that passed through the Santa House this year and we expect even more people next year.

For good. For ever.
