WHO we are

THE BIG GIVE is a giving circle which represents a collection of 100 or more men from Midland County committed to ensuring this area remains one of the best communities in the country for families. Our mission is to provide a recurring funding mechanism for non-profit, educational, and municipal organizations within Midland County who are dedicated to improving the quality of life for our citizens.

WHAT we do

Members agree to provide a total of \$300 annually or \$100 per meeting to support a total of three organizations over a year's time.

Members meet three times each year to vote on the group which will receive the funds.

The Selection Committee aligns requests with identified Community Needs.

Funds are administered by the Midland Area Community Foundation.
